Content Editor Guide

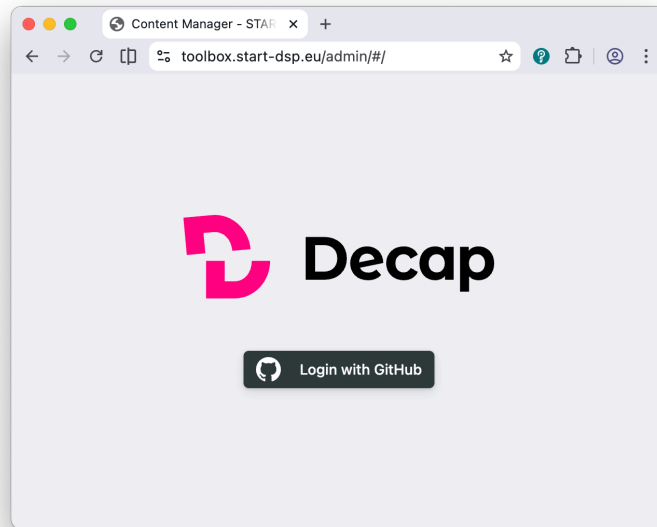

Contents

1. Logging In to the Content Editor	2
2. Editing Tool Translations	4
3. Editing UI Translations	6

1. Logging In to the Content Editor

Go to <https://toolbox.start-dsp.eu/admin> and click “Login with GitHub”.

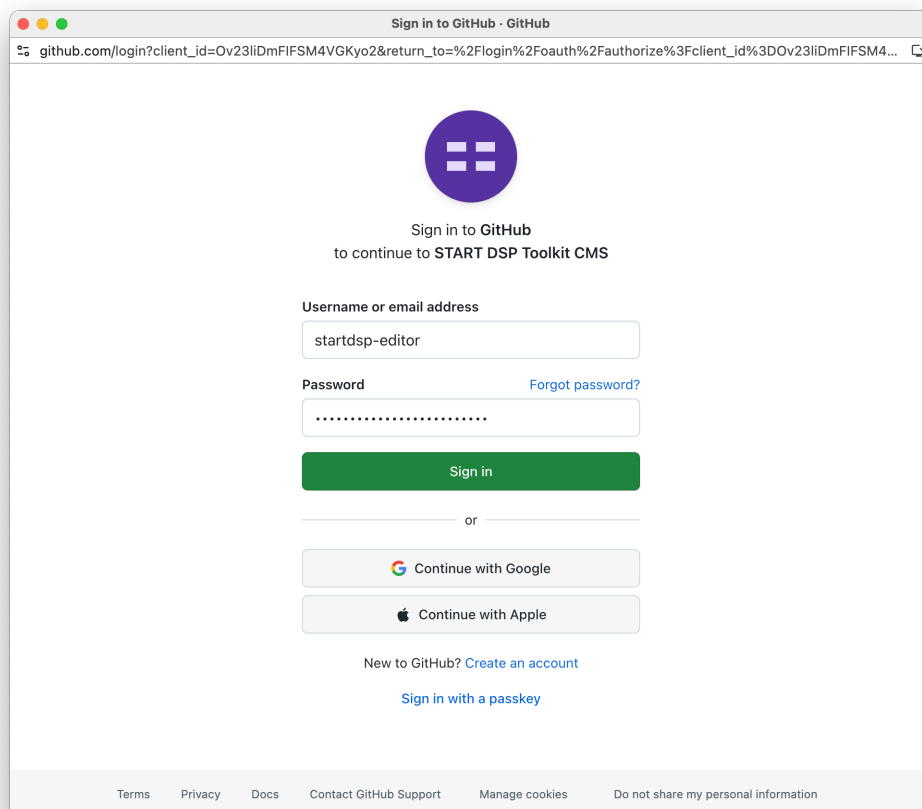

Enter the following credentials and click “Sign in”.

Credentials

Username: startdsp-editor

Password: N%7CM?w4^@.uWRO#.W}gZEC>

After authorization, you'll see the Decap CMS dashboard where you can edit tools and UI translations.

2. Editing Tool Translations

Edit Tool Content

The toolbox contains 24 tools in multiple languages. From the Decap CMS dashboard, select your language collection (e.g., “Spanish Tools”) and click on the tool you want to edit.

To edit any text field:

1. Click inside the text box
2. Make your changes

The screenshot shows a web browser window with the URL `toolbox.start-dsp.eu/admin/#/collections/tools_english/entries/02-entrepreneurial-dictionary`. The page title is 'Writing in Tools (English) collection' and it shows 'CHANGES SAVED'. There are buttons for 'Published' and 'Delete entry'. The form has several sections:

- TOOL NUMBER:** A text box containing the number '2'.
- NAME:** A text box containing 'Entrepreneurial Dictionary'.
- IMAGE:** A section with a placeholder image of a book cover. Below the image are buttons: 'Choose different image', 'Replace with URL', and 'Remove image'.
- SUMMARY:** A text box containing the text: 'A fun, accessible entrepreneurial dictionary for students, staff & researchers to understand key entrepreneurship terms without fear or confusion'.
- DESCRIPTION:** A text box containing the text: 'The Entrepreneurial Dictionary is designed to help universities and individuals better understand entrepreneurial concepts in a simple, funny way. It breaks down key terms often misunderstood or intimidating, helping reduce fear and misconceptions around entrepreneurship. It is designed for students, faculty members or university staff curious about the entrepreneurial mindset. This tool offers clear definitions, examples, and real-world context to make entrepreneurial language accessible to everyone'.
- OUTCOMES:** A text box containing the text: 'Students and faculty will build confidence and clarity around key entrepreneurial terms. A shared language fosters better collaboration across departments. The tool supports learning in courses, mentorship, and innovation hubs, while also inviting self-paced exploration.'

Translation Tips

- Use consistent terminology across all tools
- Preserve formatting (bullet points, line breaks)

Publish Your Changes

Your changes are automatically saved as you work. When ready to publish:

1. Review your work - check spelling, grammar, and formatting
2. Click “**Publish**” at the top-right

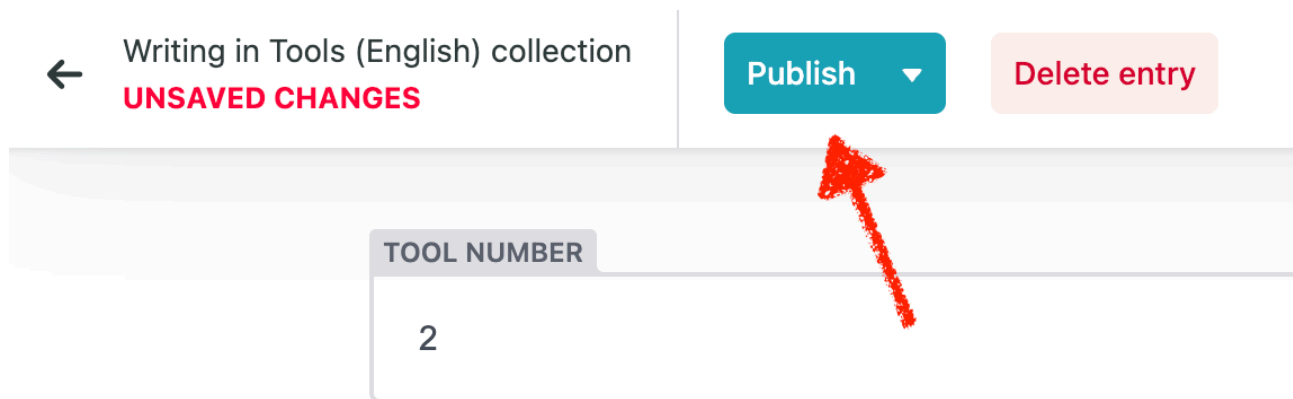

Figure 5: The Publish button

3. Select “**Publish now**” in the dialog

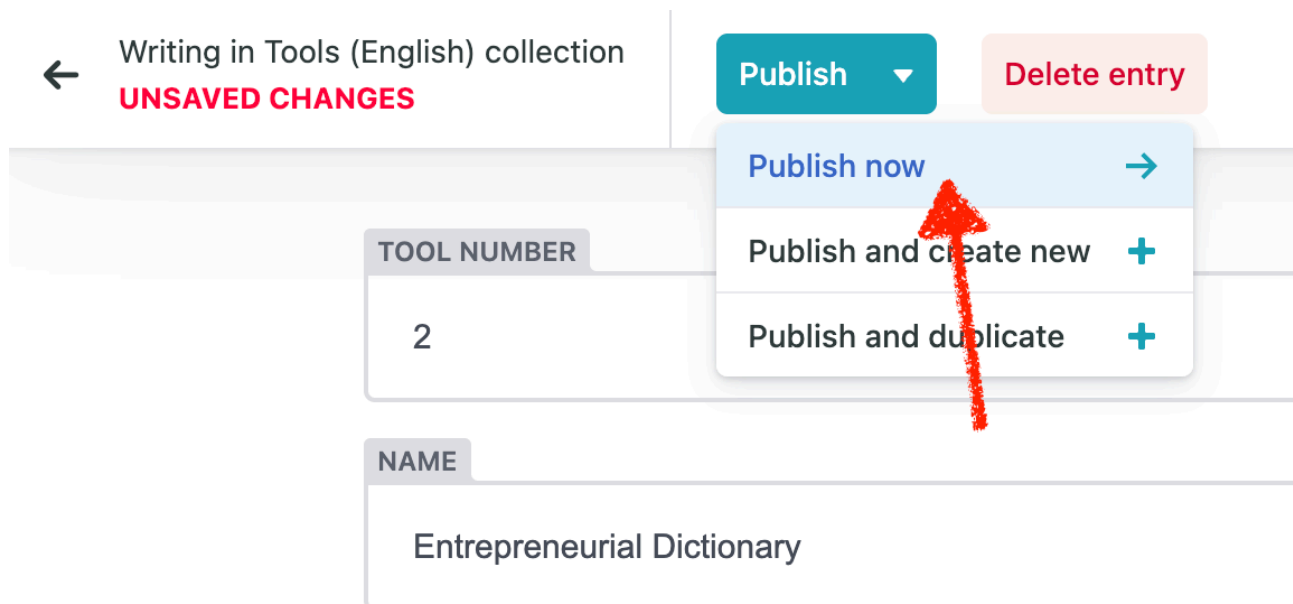

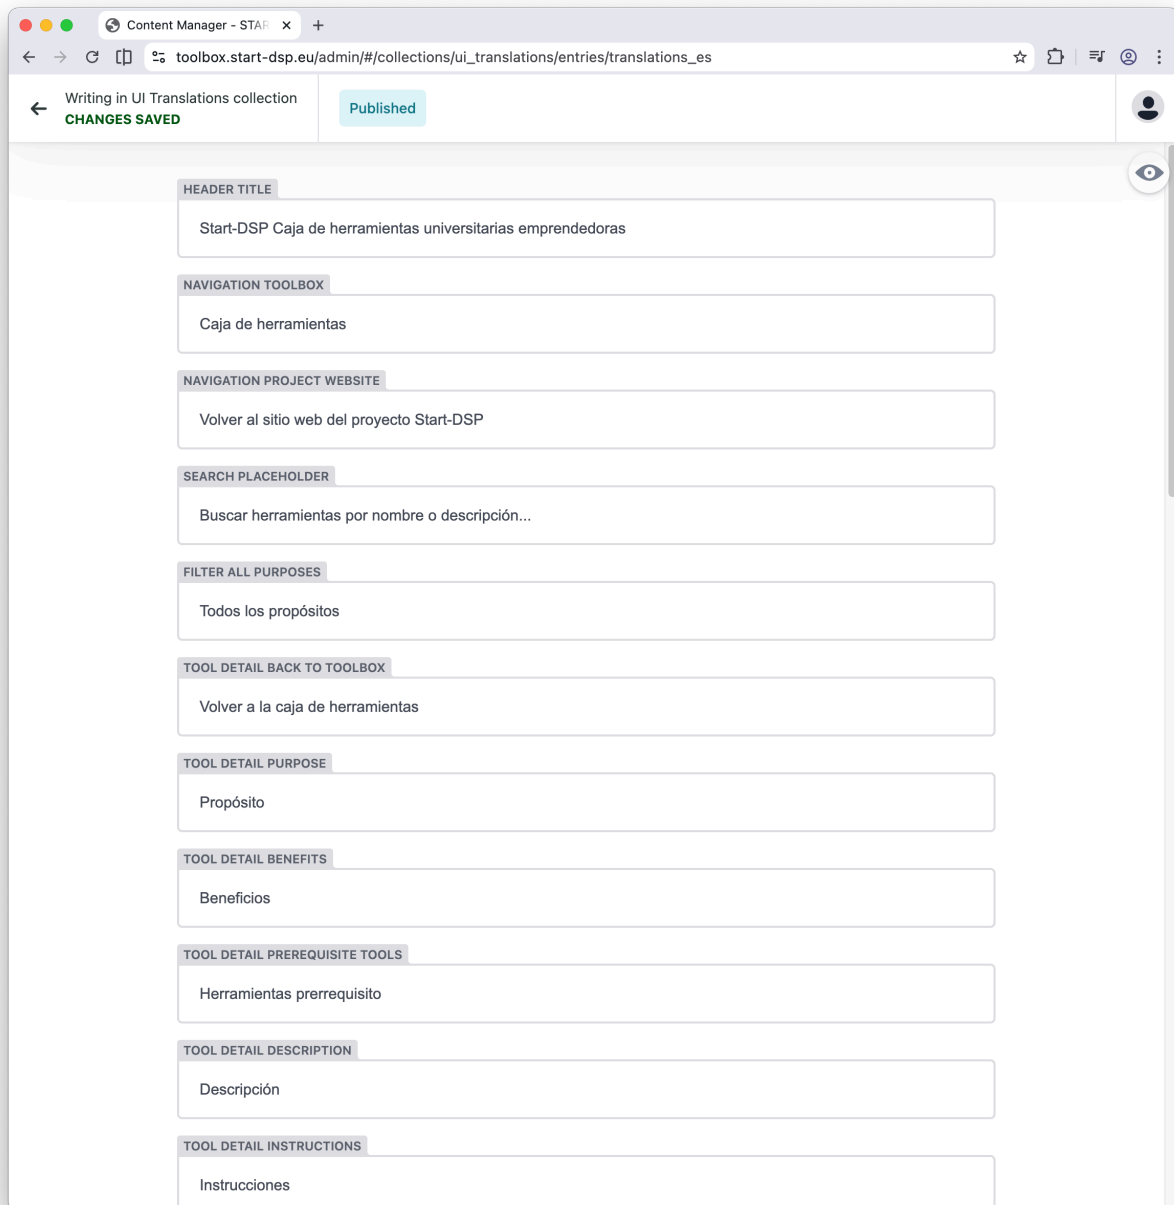

Figure 6: Publish confirmation dialog

Your changes will go into review to make sure they did not brake anything and will get published from there.

3. Editing UI Translations

UI translations are the interface text that appears throughout the website (buttons, labels, menus, navigation, etc.).

From the Decap CMS dashboard, click on **“UI Translations”** in the left sidebar, then select your language (English, Spanish, German, or Greek).

The screenshot shows a web browser window with the URL `toolbox.start-dsp.eu/admin/#/collections/ui_translations/entries/translations_es`. The page title is "Writing in UI Translations collection" and it shows a "Published" status. A "CHANGES SAVED" message is visible. The form contains several input fields for translating UI elements:

- HEADER TITLE:** Start-DSP Caja de herramientas universitarias emprendedoras
- NAVIGATION TOOLBOX:** Caja de herramientas
- NAVIGATION PROJECT WEBSITE:** Volver al sitio web del proyecto Start-DSP
- SEARCH PLACEHOLDER:** Buscar herramientas por nombre o descripción...
- FILTER ALL PURPOSES:** Todos los propósitos
- TOOL DETAIL BACK TO TOOLBOX:** Volver a la caja de herramientas
- TOOL DETAIL PURPOSE:** Propósito
- TOOL DETAIL BENEFITS:** Beneficios
- TOOL DETAIL PREREQUISITE TOOLS:** Herramientas prerequisite
- TOOL DETAIL DESCRIPTION:** Descripción
- TOOL DETAIL INSTRUCTIONS:** Instrucciones

Figure 7: UI Translations editing form

1. Click on any field to edit it
2. Type your translation
3. Changes save automatically
4. Click **“Publish”** → **“Publish now”** when finished
